

CROP Walk 2010

Walk away poverty and hunger!

(Communities Responding to Overcome Poverty)

The CROP (Communities Responding to Overcome Poverty) walk is a community event calling on neighbors to walk together to take a stand against hunger and poverty in our world. The walk is 5-K (3 miles), and will raise money and awareness for poverty relief.

Sunday, April 18, 2:30 p.m.

(Pre-walk program starting at 1:45)

Caldwell Park

We encourage the active involvement of teams and individuals from public and private schools, civic and cultural groups, area businesses and all faith groups. There is no fee to participate but each walker is encouraged to raise at least \$100. The Birmingham CROP Walk hopes to raise \$30,000 in 2010. And every walker gets a free CROP Walk t-shirt!

Organizations which raise the most money or which have the most walkers on their teams will be recognized on the web site.
