PLAY

During the month of June we will be focusing our attention on how to find more joy in our relationship with God and others through play. Our focus yesterday in worship was IMAGINATION. Rather than our traditional GPS daily devotionals, we are sending a postcard with some suggestions for activities that will engage your imagination. We hope you will try some of these activities this week and let us know how you used your imagination!

Prayer: Creating God, help me reignite my sense of play as I use my imagination. Create in me a sense of holy joy. Amen.

In her sermon yesterday, Beth challenged us to use our imaginations to finish this picture. If you were at church for worship you may have received a copy. If not, you can right click on the image above and copy it so that you can paste and print it. What do you see? How does your imagination complete this picture? We have already received a couple of completed pictures from folks. After you complete the picture, we'd love for you to take a picture of it and email it to the church or bring it with you this coming Sunday so we can see the power of our imaginations!

Finish the Picture!
